*Average daily population (ADP) has been reconfigured to better align with national definitions. ADP is determined by bed utilization at a specific time-of-day (4 a.m.). Totals may not be exact due to rounding effects and other races not shown. Detention Girls Intervention was changed to Detention (Generating) Intervention Planning in February 2018. In August 2018, the Beta Unit opened at BBRC and the bed availability was adjusted due to facility configuration with unit staff/youth ratios. Detention Intervention Unit was created December 2018.
